

European Projects: how to write a successful research and innovation project proposal

European Projects: how to write a successful research and innovation project proposal (the course will be delivered in English)

#1 day - Introduction to Horizon Europe programme: overview of the programme structure; how to find relevant calls; some tips on how analyse and select the relevant call.

#2 day - Basic rules and tips for successful proposal writing

The 6 hours course will give you a broad introduction to the European Funding possibilities, with a specific focus on the Horizon Europe Research and Innovation Programme.

In the second part, rules and boundaries to prepare proposal, together with writing tips and practical examples, will be provided.
