

Public speaking

A meeting aimed at enhancing the ability to communicate in an engaging and effective manner.

The goal is to acquire skills to create effective interventions aimed at different types of audiences. In addition, the theatrical aspects of communication will be explored, with emphasis on stage presence, gestures and use of voice.

Storytelling: creating narratives to communicate and engage

Donato Ramani (Ufficio Comunicazione SISSA)

Enjoy the stage: presence, gestures and use of voice

Valentina Fiammetta Milan (Hangar Teatri)

NOTE: in order to have 0,5 CFU recognized, this course needs to be taken together with two of the courses offered in the area "**Ethics and communication techniques**" - so you can obtain 1.5 cfu
