

ENGLISH FOR STEM

Writing: Grammar, Syntax & Style (5 sessions)

03/06 (2h), 04/06 (2h), 06 /06 (2h), 10 /06 (2h), 11/06 (2h)

- English for STEM: a brief Introduction
- Style in scientific English: writing in different contexts
- Grammar mistakes and misused words in scientific writing
- Correct use of tenses in scientific writing

Speaking, Listening & Reading (3 sessions)

13/06 (2h), 17 /06 (2h), 18 /06 (2h)

- Speaking

This task is aimed at **improving the speaking ability in all contexts of academic life** from the more to the less formal ones: a research presentation, a job interview, teaching tutorials/lab tests.

- Listening

This task is aimed at improving the **listening and understanding of scientific reports and their critical argumentation**.

- Reading

This task is aimed at improving the **reading and understanding of written journal articles/scientific reports** as well as their **grammatical and syntactic structures**
