

SCIENCE DIPLOMACY

Science diplomacy is progressively emerging at the intersection between international relations and science development. This webinar will explore Science Diplomacy from its theoretical and historical foundations, up to its practice in institutions and cooperation.

ONLINE, THURSDAY 31 OCTOBER 2024, 11:30-13:00

Emanuela Colombo (Moderator) - Rector's Delegate to Science Diplomacy, Politecnico di Milano
"Introduction to the subject, the speakers, and the latest news"

Simone Arnaldi - Dipartimento di Scienze Politiche e Sociali, Università di Trieste
"Fundamentals of Science Diplomacy"

David Burigana - Dipartimento di Scienze Politiche, Giuridiche e Studi Internazionali, Università di Padova
"Science Diplomacy in History"

Alessandra Tognonato - Ministero degli Affari Esteri e della Cooperazione Internazionale
"A Diplomatic Perspective on Science Diplomacy"

Vincenzo Lorusso - Directorate-General for Research and Innovation, European Commission
"Science Diplomacy and Cooperation: the AU-EU Innovation Agenda"

Roundtable discussion, moderated by **Emanuela Colombo**
