Education and Research Services Division  
Student and Educational Services Branch  
Office for Postgraduate Students

## Academic Year 2024/2025 Master of Advanced Studies in “MEDICAL PHYSICS”

### Separate ranking for candidates not yet in possession of the entry qualification

n.	Cognome	Nome
1	PETERS	BRANDON

Graduating candidates who may be admitted to the Master's program, once they have obtained their degree, must immediately notify the Master Service.

Subsequently, the Secretariat will inform the interested parties of the deadlines and procedures for enrollment.
