

## FORMAZIONE TRASVERSALE DOTTORANDI A.A. 2026/2027 COMPLEMENTARY SKILLS TRAINING A.Y. 2026/2027

### Notice for doctoral students:

All lectures are delivered face-to-face from January 2027. All lectures are in English language.

Please note that there are no blended-learning courses.

Only the following courses will be delivered entirely via Teams:

-The Phd in perspective: guidance for a mindful career development course

-Science of Communication on New Media;

-Occupational Safety and Health: Traditional and Emerging Risks in a Changing Climate.

To register for Courses go to the page [Complementary skills training](#) (enrolment usually opens one month before the course).

If you cannot attend, please remember to notify the PhD office (in order to notify other Ph.D. students that the position is vacant).

Upon completion of each activity, requiring at least 75% attendance, the secretary will record attendance in the Esse3 booklet.

### 1) Linguistic further training

| CONTENTS                                                                                                                 | DURATION                     | PERIOD             | LECTURER/COLLABORATORS                                 |
